

CHAUTAUQUA STARTS TODAY

Everything in Readiness and Immense Crowds Are Expected.—Weather Ideal.

The seven day session of the Mt. Sterling Chautauqua starts today in the brown tent erected on the High School lot. Every indication points to a record breaking attendance as the demand for season tickets has been greater than in years past.

Starting with the concert given by the Orchestra Sextette this afternoon and the lecture given tonight by Ada Ward, of London, England, one of the best programs ever offered to the people of this vicinity will be presented. There will be enough music to please all, both popular and classical. Kyril's Band will be here. The Great Lakes String Quartet, which entertained President and Mrs. Wilson on their voyage across the Atlantic on the George Washington. Mrs. Augusta Lenopolan Opera Company. The Hurvesters and the Metropolitan Quartet are some of the musical attractions of the big program: Lovers of the drama will find pleasure and many hearty laughs in the American comedy "It pays to advertise" one of the most successful plays of recent years. Alton Packard and his big life-like sketches and humorous songs and stories will furnish part of the fun on the last night, which is fittingly called "Joy-night."

Lectures dealing with the problems of Reconstruction will be given by some of the most noted speakers of the country. Hon. Leslie M. Shaw and Chas. Zueblin will engage in a debate, on the "Government Ownership of Railroads." Other subjects that will be discussed are the "League of Nations" by R. E. P. Kline. "The Great Highway" by Chas. Zueblin. "The Spirit of the Women of France" by Marie Rose Lawler, and a lecture on Community Health by Florence Bullard, official Red Cross Nurse. All in all it is a great program, one from which any person can get something worth while. The time for the attractions is 3:00 o'clock in the afternoon and 8:00 o'clock in the evening.

BIG CROWD HERE FOR 4TH

A tremendous crowd was in attendance here for the big 4th of July Celebration and Soldiers and Sailors Home-coming. A splendid band gave morning, afternoon and evening concerts and other attractions furnished amusement for the people during the entire day. The display of fireworks at the Fair Grounds at night were especially largely attended and the display was a very creditable one. The balloon ascension did not come up to expectations, as on the first trip in the afternoon the balloon caught fire soon after leaving the ground and was damaged to such an extent that another flight was impossible. Chief Tipton and his men are especially to be complimented upon the masterly manner in which they handled the crowds. There were no automobile accidents, cars were parked on the right side of the street, and there was no disorder of any kind.

CHILDREN'S PARTY

Mrs. Roger Q. Drake entertained with a party Saturday afternoon at her home on Clay Street for her children, Roger Jr., and Lodema. Games of all kind were played and a very enjoyable afternoon was spent. Most delicious refreshments of ice cream and cake were served. About one hundred children were present.

TEACHERS' INSTITUTE

The Montgomery County Teachers' Institute was held here the past week, under the able supervision of the County Superintendent, Miss Georgie Sledd. The program was an interesting one and the teachers derived much benefit and pleasure from it. The resolutions adopted appear elsewhere in this issue.

PRIZE WINNERS

At the baby show at the Fair Grounds, July 4th, Ruth Caroline Stephens, little daughter of C. E. Stephens, was awarded first prize as the prettiest girl baby, and Howe Thompson Jr., son of Mr. and Mrs. Howe Thompson was voted the handsomest boy.

WITH LIGGETT AND MYERS

John Duty and Homer French left Sunday for Louisville where they have accepted positions as salesmen for the Liggett and Meyers Tobacco Company.

NEW SUMMER RESORT

C. E. Ledford, of this city, and Frank Calhoun, of California, have closed a deal with J. Rice Crooks for the exclusive rights and sale of the mineral water discovered on his farm about two miles out of this city which was struck while drilling for oil some time ago. The water was encountered at a depth of 1144 feet and when tapped rose over 800 feet in the hole. The water, which in taste is very similar to the famous Blue Lick, has been analyzed and qualities and health-giving properties. A company is being organized by Mr. Ledford and his associates for the development of this water, and it will be placed on sale throughout the country. A hotel, sanatorium, summer cottages and all that goes to make a first-class summer resort will be built and the place opened to the public next season. Having the advantage of being so close to the railroad will help make this new venture a profitable one.

FORGER CAPTURED HERE

Millard Green, alleged forger, wanted at Winchester, was captured in this city Wednesday night by Chief Tipton who had been notified to be on the look-out for him. Seeing a man near the Tabb Theatre, who answered the description of the man wanted, Tipton arrested him. Green broke away from the officer and ran up Maysville street, crossing to Court. As the man paid no heed to his command to halt Chief Tipton drew his pistol and fired three shots, missing his mark. Green was afterward found in Dr. Yeaman yard, hiding under some bushes. He was then locked up in the city jail and Thursday turned over to Winchester officials who came for him.

ACCIDENT

What might have been a very serious accident was narrowly averted Saturday morning when the trap in which Mrs. H. G. Enoch, Mrs. G. B. Senff and Mrs. Enoch's two children were riding was run into by a motor car driven by W. P. Gordon, of this city. The women and children had just turned into Main street from Samuels avenue and were coming towards town. Mr. Gordon was coming in the same direction from the Winchester pike and attempted to pass. In some way he lost control of his car and ran into the trap tearing off two wheels and throwing its occupants violently to the ground. Mrs. Enoch and her children escaped injury except for a few cuts and bruises, but Mrs. Senff is suffering from a badly wrenched knee.

DIES IN LOUISVILLE

Friends in this city learned with deep regret of the death of Mr. R. O. Guthright, which occurred in Louisville last week. Mr. Guthright had been in failing health for some time, but became critically ill only a few days before his death. He was the father of Mrs. A. J. Gatewood, and well known here.

HOWARD BROWN UNDERGOES SECOND OPERATION

Howard Brown, of this city, who has been ill at the Good Samaritan Hospital in Lexington for the past ten days, is improving, having undergone a second operation last week, from the effects of which he is rapidly recovering.

Twenty-three years ago Mr. Dawson was a resident of this city and is now one of the 23 managers of the Columbia Graphophone Company, Cincinnati, O., and has four traveling representatives, three men and one woman. They are turning in a big business, aggregating more than a million dollars per year. Our older citizens will remember Mr. Dawson as the son of E. L. Dawson, who is now living with his daughter, Mrs. Vanhook, in North Carolina. Mr. Dawson's mother, a good christian woman, passed to her reward seven years ago.

J. D. Dawson, for many years engaged with the Trimble Grocery Co., is now at the head of the wholesale grocery company of J. D. Dawson & Co., Bell Haven, N. C.

Mr. F. F. Dawson and wife sang at the union service at the Baptist church Sunday night to the delight of an appreciative audience.

CUTTING SCRAPE

Two young negroes, George Smothers and Gay Alexander, became involved in a difficulty on the streets here Thursday night, which resulted in the Alexander boy being badly cut by Smothers. The fight occurred about midnight, and the injured boy was taken to Dr. S. E. Spratt's office where his wounds were cared for. While badly injured, Dr. Spratt thinks Alexander will recover. Smothers was placed under arrest by Chief Tipton, and was tried in County Court yesterday. He was bound over to the grand jury on the grounds of maliciously cutting and wounding another.

DEAN LOYD HERE

Dean Lloyd, of Montreal, Canada, arrived in the city Saturday night for a visit to his father, R. C. Lloyd. This is Mr. Lloyd's first visit home in about 10 years, and he is receiving a warm welcome from many old friends. He is now the owner of a large vaudeville and photo-play house in his adopted city and has been quite successful. It will be remembered that at one time young Lloyd was rated among the three foremost jockeys in America. Mr. Lloyd was on his way from Toledo, where he had been to see the Dempsey-Willard prize fight, to New York.

PLANS FOR THE FAIR

Prospects Bright For The Biggest And Best Fair Ever Held In Mt. Sterling.

The Montgomery County Fair Association has named the opening day, Wednesday, July 23rd, as "Political Day," and every candidate on both tickets, Republican and Democratic, has been notified and asked to visit Mt. Sterling on that occasion. It is hoped to have Governor Black and his staff present as well as all the State officers and candidates. Secretary Wood is making every effort to make the opening day of the Fair one of the biggest and best ever given. In connection with the "Political Day" Derby Day will also be observed and a race for the Montgomery County Derby at a distance of 1 and 1-8 miles will be run for a purse of \$300, with a handsome floral design donated the winner of the race. From all indications the largest crowd ever in Mt. Sterling will be present and it is said that the R. C. Oldham Club, composed of 500 members from Clark County, together with a brass band will visit the Fair in the interest of Hon. Ronald C. Oldham, candidate for the Democratic nomination for Lient Governor. It is hoped to have Hon. Edwin P. Morrow, the Republican standard bearer, also present. The second day of the Fair has been designated as Blue Grass Fair Day and a large crowd will be present from Lexington, while the third day of the Fair has been designated as Louisville and State Fair Day and every effort is being made to have a large crowd of Louisville wholesale houses representatives and State Fair boosters on that occasion. Eastern Kentucky has always been a splendid feeder for Louisville and Lexington business houses and it is believed that a good representation of business houses will both be represented on the days set apart for them. The catalogues for the Montgomery County Fair are out and a splendid programme has been arranged for the entertainment of the people. It is said that the Louisville crowd will come through on a special train and the Lexington contingent in automobiles.

A Coated Tongue? What it Means

A bad breath, coated tongue, bad taste in the mouth, languor and debility, are usually signs that the liver is out of order. PROF. HENRY NETER says: "The liver is an organ secondary in importance only to the heart." We can manufacture poisons within our own bodies which are as deadly as a snake's venom.

The liver acts as a guard over our well-being, sifting out the cinders and ashes from the general circulation.

A blockage in the intestines piles a heavy burden upon the liver. If the intestines are choked or clogged up, the circulation of the blood becomes poisoned and the system becomes loaded with toxic waste, and we suffer from headache, yellow-coated tongue, bad taste in mouth, nausea, or gas, acid dyspepsia, languor, debility, yellow skin or eyes. At such times one should take castor oil or a pleasant laxative. Such a one is made of Mayapple, leaves of aloe and jalap, put into ready-to-use form by Doctor Pierce, nearly fifty years ago, and sold for 25 cents by all druggists as Dr. Pierce's Pleasant Pellets.

Oldham Must Be Defeated

"Word has gone out from both the Black and Carroll camps that Ronald C. Oldham, of Winchester, must be defeated for Democratic nomination for Lieutenant Governor. William H. Shanks, of Stanford, a banker, is Oldham's opponent. It is alleged that the Republicans have stored up a lot of ammunition to shoot at Oldham and that the Democrats have taken aerial observation of the situation and have become alarmed at its size and character. Aside from this it is asserted that Oldham would have to make a fight to retain the nomination should he win it, because he is so extensively advertising his candidacy that he is regarded by astute politicians as almost certain to be required to show that he has not exceeded the legal expenditure of \$5,000."—Tom Cronwell in Cincinnati Enquirer of June 29th.

—what the deuce
does that mean?

It means that NEW thing in a cigarette, that does for your smoke-hunger exactly what a drink of cold water does for your thirst!

To satisfy, a cigarette must do more than please the taste—it must "touch the smoke-spot."

That's what Chesterfields do. They let you know you are smoking—they SATISFY.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. THE FOURTH IN FRANCE

In France the Fourth of July was recognized as their own holiday, and Independence Day was celebrated in Paris from early morning to late in the evening. The parade started at 9 o'clock and the entire populace came out to view the French and American picked troops. Hugh C. Wallace, Ambassador to France, in a tribute to the immortal Lafayette as he laid a wreath on the grave, said: "I stand here today where so many Americans have stood before us, and in reverence and devotion place a wreath on the grave of Lafayette. The act itself is simple, but I could do nothing more perfectly representative of American sentiment. She had stretched her hand across the sea and set a loving tribute before the shrine of our best friend."

These nations, with unsheathed swords, with every modern equipment of war, having contended successfully for a one principle, a world-wide democracy and with due respect and credit to the entire allied forces, making possible successful issues, in beauty and with good will, celebrate Independence Day. It is a desired sentiment conveyed by the undying words, "United We Stand." May it ever be a world free from oppressions and governed by the great common people. Independence to all.

BUT HE BALKED

At Columbus, Ohio, on July 1st, at the Methodist Centenary celebration of prohibition it was arranged for Hon. William Jennings Bryan to head

the parade riding a camel, but to this he balked. He viewed the procession from grand stand and later delivered a temperance address. Subject: "They Are Dead That Sought the

Young Child's Life."

In older days, people used to boil snails in barley water as a cure for a cough.

Of the numerous women elected to public office in Idaho the past year Alma Josephson, of Oneida county, is the only one to hold the office of County Sheriff.

ANNOUNCEMENTS

We are authorized to announce the following candidates for the Democratic nomination, at the August primary, 1919:

FOR REPRESENTATIVE
Thomas L. Caudel
FOR CITY ATTORNEY
A. A. Hazelrigg
FOR CHIEF OF POLICE
Thomas Scott
James C. Tipton

We are authorized to announce as a candidate for the Republican nomination for Railroad Commissioner of the Third District, at the August Primary, 1919,

CLAY CISCO.

Once, a long time ago, a journalist, a distinct party man, answering the question, "Why don't you expose a certain candidate who has busied himself as one of your bitterest foes; you have got him now. You wield the pen, why don't you destroy him?" The answer was, "We are both Democrats, we stand for the same political doctrines, and I must be in position to support most enthusiastically the party nominee." That was a conscientious editor. He stood for something and regarded that something of more importance than he did the character of men. At this time men are running for offices, all are submitting their claims to the primary, August 2nd. Some will win, and it may be a bitter antagonist, now what a mess the opposing adversary would be in to ask favors of his friends after having indulged in personalities. The party is greater than the man. Be careful, are our watchwords for all candidates!

There is no better indication for the prices to be realized on the growing crops than the prices that are being paid now. The prices on tobacco are forecast by prices paid by our largest dealers and consumers. The R. J. Reynolds Company in its Louisville deal, when they took over a large amount of tobacco for 37½ to 42 cents, may be an exponent of future prices. As it is with this crop, so will it be with all others in the burley section, for here tobacco is king. Farmers, be encouraged, and see that the growing crops are properly cared for, that they may realize the top market prices.

It is about time for the people to speak, and believe us, they will in no uncertain terms. Politicians and self-arrogated leaders should be invited to "go away back and sit down." There are principles, proven theories, to replace bitter denunciations. It is not time to furnish food for opposing parties. If the candidates will just tell the people what they stand for, they will settle matters August 2nd.

With a find of a medicinal water and which appears to be an inexhaustible supply, it is an opportune time for the erection of a modern hotel building and have the water, which is only two and one-half miles away, piped into it. We hope the suggestion may prove worth while.

PICNIC AT PILOT KNOB

A party of Jeffersonville people enjoyed a picnic at Pilot Knob Sunday. The entire day was spent in the beautiful woods and at noon an elegant dinner was served in picnic fashion. Those attending were: Mr. and Mrs. Harlan Mickles, Mr. and Mrs. Barker, Mr. and Mrs. Glenmore Meal, Mr. and Mrs. Paul Bedford, Louise Bedford, Misses Grace Barnes, Candies Risner, Mame Cockerham, Maggie McNab, Mattie Chaney, Cora and Grace Barker, Mabel Oldfield, Mary Dulaney, Mattie and Rena Hill, and Messrs. Luther Higgins, Albert Millyboy, Jessie Neal, John Gibbs, Greely Churree, Wainford Chaney, Henderson Wills, Ernest Greer, Frank Reeder, Roy Chase, Willie Dow, Willie Clayton, Raymond Hiler and Edgar McNab.

THE WHEAT OUTLOOK

From present indications the wheat yield will not exceed 10 bushels to the acre and the quality is inferior. The older wheat growers attribute the small yield and low grade to the late Spring and freeze.

Local price of wheat today is \$2.12 for grade No. 2.

SOUTH TRIMBLE SELLS FARM

South Trimble, of Franklin county, long time clerk of Congress, a nephew of the late J. G. Trimble, has sold his farm of 300 acres lying upon the Georgetown pike between forks of Elkhorn and Woodlake. Dr. J. P. Holt and George Dunlap, of Woodford county, became the purchasers. The place is known as "Bell's Court," and was the former home of Judge Franklin Chinn and is the farm upon which Mrs. J. C. Morton and Frank Chinn spent the earlier portion of their lives. The farm is one of the best in the county, and while the price was not given out, it is supposed to be about \$200 per acre.

Friends and relatives were greatly shocked when they learned that Jason Richardson had died early Thursday morning, July 3rd, 1919, at the St. Joseph Hospital, Lexington, following an operation in the final effort to save his life. Jason's skull was fractured when his pony fell with him on the evening of June 27th. He never regained consciousness. "Jason was the son of ley when this sad accident befell George Richardson and wife and him. Besides parents he leaves a daughter born October 8th, 1905 and was voted brother, Carl and sister, Mrs.

a jolly good natured boy. A host of young friends are mourning for him today, for he was a favorite with them all. During the early spring Jason was seized with influenza and pneumonia and for weeks his recovery seemed impossible. As it were he appeared to have just returned from the Shadow of the Valley. "Jason was the son of ley when this sad accident befell George Richardson and wife and him. Besides parents he leaves a daughter born October 8th, 1905 and was voted brother, Carl and sister, Mrs.

Herlden Wilson, to mourn, their irreparable loss. After services at the grave by Rev. B. W. Trimble, Friday evening, the remains were laid to their final rest in Maehpelah Cemetery. To the loved ones this community extends sympathy.

TRUSTY AGAIN ESCAPES

James Potts, colored, charged with maliciously cutting and wounding his wife, made his escape several weeks ago while acting as "trusty." After a hard chase he was captured and brought back to this city and placed in jail. He again made his escape a few days ago by prizing apart two heavy stones in the jail and sealing the outer wall. He was re-captured and will be kept in a steel cage until his cell wall can be repaired.

MAJ. GEN. H. T. ALLEN

Honor was conferred on a worthy soldier when Maj. Gen. H. T. Allen succeeded Gen. Hunter Leggett in command of the "Forces on the Rhine," the new title of the Army of Occupation based on Coblenz. Maj. Gen. Allen is a native of Sharpsburg, a brother of Messrs. Frank, Waller, Thomas and Jack Allen, with many close kin at Owingsville, the Allens and Goodpasters, the Allens at Millersburg and Mrs. R. A. Chiles and Mrs. Carroll Chennault, of this city. There is not a more competent, a braver soldier in the U. S. Army than Maj. Gen. Allen. He formerly commanded the 90th Division, composed of National Army troops from Texas and Oklahoma, which he took overseas after having trained the division at Camp Travis. Gen. Allen entered West Point in 1878, and soon after his graduation he distinguished himself by exploring and surveying Alaska, then little known. His map still is used by the Government. He was for a time professor of mathematics at West Point and has been successively military attaché at Petrograd, Berlin and Paris. He was breveted Brigadier General during the Spanish-American War for gallant conduct at San Juan Hill, where he was wounded. Later he was Governor General at Porto Rico. Afterward, in his regular army

rank of Captain, he organized and commanded efficiently the Philippine Constabulary.

He was with Gen. Lawton when he climbed the hill behind Santiago during the Spanish-American war and saw Cervera's fleet at anchor, that being the first definite knowledge of the whereabouts of the fleet, which gave the Americans information enabling them to destroy the Spanish ships.

Gen. Allen and the former Emperor of Germany were the best of friends when Allen was in Berlin twenty years ago. Wilhelm posed for a photograph with Allen, it being believed he is the only American officer to have had a photograph taken with the fugitive former ruler.

While we recognize the appointment of General Allen as a compliment we are here to pen these words of literal meaning, he is eminent, worthy and deserving any degree of advancement that may be bestowed.

JONES: Have any rain last night, Smith?

SMITH: Yes, a hard one, and with Hail; nearly ruined by tobacco. Cut it all to pieces.

JONES: Have it insured?

SMITH: No, not a cent on it and I'm afraid 'twill darn near put me out of business, too.

JONES: Well, you're certainly a "wise guy." Didn't you know you could have insured it against Hail for \$50 an acre for only \$4.00; or \$100 an acre for only \$7.00?

SMITH: Yes, I knew that BUT I DIDN'T THINK IT WOULD GET ME; in fact, I had forgotten it. Think I'll go in right now and "TALK WITH HOFFMAN" and insure the crop on the other farm. They say "Lightning doesn't strike in the same place twice," but I can't afford to take any more chances.

A reason for not selling more Fords is because the demand is so great that the factories of this popular machine cannot meet the demands of the people. If you are going to buy a Ford you must therefore arrange in advance in order that we may comply with shipping directions, so many want the Ford. Strother Motors Company.

LONG TIME LOANS

We are making long time loans at a low rate of interest to farmers on easy terms, whereby the borrower is given the privilege of paying off all or any part of his loan at any time he chooses.

These loans are split up into equal payments and a small amount of the principal is paid each year; the borrower thus retiring his loan gradually, and in a few years he has paid it all off.

We can save you money in interest and insure you against being called on to pay off your loan when times are hard.

TO THE DEMOCRATS OF KENTUCKY:

I hereby announce myself a candidate for the office of Lieutenant Governor of Kentucky, subject to the action of the Democratic primary on August 2, 1919.

- I AM—**
1. A friend of Labor;
 2. For amending, but not repealing, the present tax laws;
 3. For better roads;
 4. For better schools;
 5. For rigid economy in the management of the State's affairs, and the elimination or consolidation of offices, where practicable;
 6. On the liquor question, I have always been a bone-dry man, and will do all that I can to advance the cause of temperance;
 7. For closer supervision of our charitable and penal institutions;
 8. For Woman's Suffrage;
 9. For amending the Dog Law so as to provide more and prompter pay for the sheep owner and more protection for the dog owner, and with less, but reasonable and fair, compensation for the officials who administer it;
 10. For extreme conservatism in the use of the pardoning power.
- W. H. SHANKS, Sanford, Ky.
